### PHOTOGRAPHY/PHOTOSHOP – COMBINED COURSE!

#### Photography Continued and Photoshop Introduction with Leigh Mitchell Anyon

Photography Continued picks up where Introduction to Digital Photography left off. We go on field trips with the sole focus of making your photographs look better, with greater emphasis on composition and framing to add drama. I'll share more camera techniques I find successful in my own practice. Bring your camera charger and tripod if you have one.

**This portion comprises of 3, 2.5 hour field trips over 3 weeks.**

We then have 3 sessions introducing Photoshop to improve your images and fix the odd problem, such as cloning out unwanted items and collage with two or more images. I guarantee you can make most images 50 percent better after three easy Photoshop commands. This introduction to Photoshop will give you a general insight into image adjustment programs and which program suits your needs.

**Three 2.5 hr sessions over 3 weeks.**

**PHILOSOPHY****SOCRATES CAFÉ****Socrates Meets Whanganui**

Socrates Cafés are gatherings that are held around the world where people from different backgrounds come together, exchange thoughtful ideas and experiences while embracing the over-arching idea that we learn more when we question, and when we question with others. No philosophical background is needed. It is about our own philosophies of life. This is not a debating club but about questioning, open-mindedness and challenging our own assumptions while listening to and respecting the views shared by others.
